LIST

"Born in 1850

Still Growing"

GREENING

NURSERY COMPANY

MONROE, MICHIGAN

TERMS OF SALE

These prices cancel all previous listings and are subject to change without notice. All offers are made subject to supply.

Prices are F.O.B., Monroe, Michigan.

Orders for from 5 to 9 trees of assorted varieties and grades qualify for the 5 to 9 rate.

TERMS: Cash on delivery of order unless other arrangements have been made.

OUR GUARANTEE

We guarantee our stock to be true to name and will replace without charge any which proves to be otherwise, it being understood that we will not be held responsible for a larger amount than the original cost of such stock.

We will replace without charge any stock purchased from us (excepting evergreens) that fails to grow after it has been properly planted and cared for, and the terms of sale have been complied with, and providing we have been notified prior to August 1st following shipment.

OVER A CENTURY OF SERVICE

For one hundred and four years we have unceasingly endeavored to make the name Greening mean much in its relation to nursery products, and have constantly observed those simple laws that govern honest effort to be served as we would be served.

Greening products are the result of over a century of knowing what to do and how to do it, and on the basis of our constant effort to merit the continued patronage of our friends and customers, we earnestly solicit your favors.

PROFESSIONAL LANDSCAPE SERVICE IS YOURS FOR THE ASKING

A plan designed by our Landscape Architect will give you a properly balanced foundation planting that blends with the style of your home. It will provide for a back yard that you can "live-in" summer afternoons and evenings - a planting that will enhance the value of your property through the years. To obtain this extraordinary service, without obligation, write us for further information.

Greening's "Super-Selected" Fruit Trees

Super selected means fruit trees propagated from parent trees that are known from actual tree performance records to possess the most desirable characteristics of the variety.
